

5th Annual Damon Johncour Memorial Golf Tournament

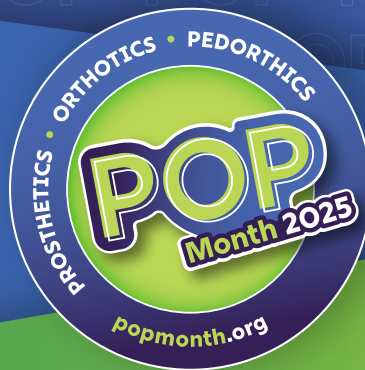

Celebrating the life of Damon Johncour, founder and owner of North Carolina Orthotics and Prosthetics, Inc.

Prosthetic, orthotic and pedorthic (POP) professionals like Damon improve people's lives. A well-known fixture in the local community, Damon helped thousands of local individuals regain their mobility and functionality.

The tournament pairs a great day of golf with a great cause—raising scholarship funds for POP students.
